

Dear Families,

Welcome to the 2024-2025 school year! I look forward to working with you and your child this year. Your child will develop cognitively, socially, emotionally and physically through discovery play in small and large groups. Our emphasis will be based on daily routines, morning meeting, sensory-based learning, learning centers, story time, parallel play, teacher guided play, all while understanding how God's love and care will help us grow into kind and loving friends, learners and members of the community.

Our weekly focus will include letters, numbers, shapes and colors. The children will have three specials: Gym, Library and Music. We will have many adventures together as we learn about each other and the world around us!

Preschool typical day

*8:55-9:05 ARRIVAL

*Circle Time/Morning Meeting(10 minutes)

*Learning exploration centers and crafts

*Special Classes (Library, Gym, Music)

*Snack

*Centers/Play

*Outside time
