

## Welcome to the Kindergarten Class of 2024-2025!

We are very excited to be the Kindergarten teachers for the upcoming school year. Kindergarten is a year full of learning, fun and growth! We have lots of activities planned to learn religion, reading, writing, math, social studies and science. Music and art are a big part of our day, too. We are lucky to attend weekly specials of technology, gym, music, art, STEM and library. We enjoy snacks and many brain breaks throughout the day. We will have lunch in the school cafeteria and recess is always a favorite part of the day.

We look forward to working together during the upcoming school year. We can't wait to witness the many milestones your child will reach as an individual, as well as those we will reach together as a class. Kindergarten is a year full of growth and so much fun. Welcome to the Saint Aloysius Kindergarten Team!

Look for more information to come regarding kindergarten individual orientation and testing which will be held the week of August 19<sup>th</sup>. We look forward to seeing you in August. Have a wonderful summer!

Love,

Mrs. Lamperti and Ms. Shrum
